HEALTH OFFICER'S REPORT

The past year there was two cases of Poliomyelitis. We have been unable to trace the origin. Also several cases of Whooping Cough. The general health of the community was good as regards cases that required isolation. Three Foster Homes were inspected, all applications were licensed. The usual samples was sent to Concord to be analysed, all reports satisfactory. All toilets in Schools and Rest Rooms were inspected.

I have investigated several complaints. Most of the trouble comes from the improper disposal of garbage and rubbish. We recommend that a study be made to relieve this condition.

Respectfully submitted,

WILLIAM H. CARR,

Health Officer

* The Tuberculin Patch test was given under the supervision of Miss. Constance Martin, R.N. at the Cogs. Memorial School, April 10, 1947, to the Senior High pupils. Results were as follows.

92 pupils receiving the test

11 teachers receiving the test

Reactions 5 X-Rays Negative.

No dental clinic this year, still unable to get a Dentist to do this, however the parents have been doing a fine job in seeing that their children go to their Dentist for corrections.

In conclusion I wish to thank everyone for their splendid co-operation during the past year.

REPORT OF THE TUCKER FREE LIBRARY

For the Year Ending December 31, 1947

As the year draws to a close, we are inclined to look back over it to see in what way we can profit by past experience, and make even better the coming year's prospects.

The increase in cost of books and magazines, without a corresponding increase of income and appropriation, makes it a difficult matter to keep up with the past record of books and magazines, however we have not dropped any magazines from our subscription list, as we feel that the patrons very much depend upon them. And with the generosity of some friends of the library we have had given us many fine books, some of the latest ones as well as some of the older ones, which are just as desirable.

Mr. Harry B. Preston and Mrs. Eva C. Huntoon also Miss Florence Bissell of Rhode Island, and Miss Claire Dunsing of New Jersey, have been very generous in donating books: besides many of our townspeople have thoughtfully done so.

The "Huntoon Book Fund" yields a steady yearly income which is a big help and one we can depend upon each year.

The New England College recently established in our town, has made extensive use of our facilities, and it is gratifying to know we have so much material on our shelves that can be of use to them.

The Grade School as well as the High School have used the Library extensively and we are always glad to have them. The friendly attitude of the teachers and faculty make it a pleasure to serve them.

In every way we strive to help the earnest student, and at the same time preserve order and dignity, and safeguard the property of the library.

It is not easy or pleasant to try to work in a noisy atmosphere, so quietness is required — and prompt return of books when due, insures all with equal opportunity to the use of them.

Obedience to these rules is not unreasonable, but necessary to preserve the most efficient object of the Library to all who wish to use it.

We — and with that I mean the townspeople as well as the Library Personnel, are very grateful to the friends who have helped us by gifts of books and magazines, and other gifts, for we realize it is done with a real desire to help in a worthy cause and to further the use for which the Library was intended.

Following is a list of gifts to the Library and I really hope I have not missed any . . .

Those who gave books are:

First the "Eastman Sisters", who kindly gave us a large collection of very fine books from their own library.

Mrs. Eva C. Huntoon — several of the later books including J. G. Winant's last one.

Hr. Harry B. Preston, his usual collection of the Book-Of-the-Month selections.

Miss Florence Bissell of Rhode Island — several books, also the magazine "Our Dumb Animals."

Miss Claire Dunsing — sent several books from her home in New Jersey.

Mrs. Joseph Cox — A book of poems — Illustrated — "N.H. Spring" by F. A. Johnson.

Dr. L. D. Cox — Book of fiction.

Nancy Hardy — A book — "wooley Lamb".

Nadine Kilburn — Several children's books.

Mrs. E. W. Coombs — Book — "Hiroshima" also several magazines.

Mrs. V. Holmes, of Henniker and Swampscott, Mass. — Five bound vols. of Nat. Geographic.

Mr. Charles Connelly — Two books on paper making.

Mayor Smiley's people sent out a collection of current fiction.

One very interesting gift is the Webster's Unabridged Dictionary, which was given to Dr. Danforth, (a lady who taught school in the "Quaker District" in the 1875-1880), by her pupils, whose names are all written in the front of the book. Of those whose names are there, Mr. Sewell C. Huntington and Mr. Fred A. Peaslee are still with us and were much interested to recall the incident. This book was sent to us by Phil Gaudreault, of Manchester, N. H., a relative of Dr. Danforth.

Mary C. Ray, had an interesting receipt for teacher's board which she found in her father's papers. This receipt showed the board to be \$3.00 per week, and was dated 1855.

Mr. Alfred Colby gave us a roll of white paper for office use and Mr. Diamond Maxwell in the same spirit gave us enough white paper facing — slips to last several years unless our book allowance is very much increased.

Mrs. Sabrie Palmer — Books.

Mrs. Warren E. Mitchell — Books.

Mrs. Walter M. Connor — Books.

Mrs. Evelyn Beane — Books

Archie Kilpatrick, formerly of this town, presented an autographed copy of his book — "History of Manchester, Conn. In World War No. 2".

The "Eastman Sisters" also presented the library with a — Six candle mold.; A brass warming pan; A bayonet of the Revolutionary War; A stereopticon glass and views, a very interesting souvenir of ancient times.

The teacher shortage continues to be acute. Although it has been relieved to some extent in certain high school fields, others are just as bad as last year. There will be very few graduates of our Teachers Colleges to supply the deficiency in the elementary field, others are just as bad as last year. There will be very few graduates of our Teachers Colleges to supply the deficiency in the elementary field. Last year most of the graduates were asking for and getting \$2000. I expect they will be asking for at least as much this year and probably more.

The Board has made serious effort to improve the facilities at the elementary school. The new lighting system is a tremendous help and new desks have been ordered to replace the outworn, outmoded desks. There is still more to be done. The toilet facilities should be improved and we should have more playground equipment; swings and teeter boards, etc. With the increased State Aid it should be possible to do some of these things.

Improvements have also been made in the High School. Adequate shower facilities have been provided for the boys which have been enjoyed very much especially the new arrangement for increasing the amount of hot water. Showers should also be installed in the girls' dressing room. The trend in education is to have a physical education program for all the children in the schools and a start has already been made along this line. The State Department of Education is aware of this need and expect very soon to announce the appointment of a State Director of Physical Education. Henniker is in a very good position with their fine gymnasium to expand this part of the school program.

I have enjoyed my work with the Henniker people very much. It has been a pleasant initiation to my new duties.

WILLIAM C. STERLING,

Superintendent of Schools
